**Ambulance Benefits Scheme: Guide to
completing a Statutory Declaration for an
Ambulance Claim**

Guide Statement

This guide has been prepared in good faith to assist ETU members with understanding what a statutory declaration is, clarification on declarations that must be made when completing a statutory declaration for making an Ambulance Claim under the ETU's Ambulance Benefits Scheme and who can witness a statutory declaration.

If an ETU member is concerned about any aspect of this guide, they are encouraged to contact the ETU on (03) 8329 0000 or via email at etu@etu.asn.au.

Statutory Declarations

What is a statutory declaration?

A statutory declaration is a written statement that a person signs and declares to be true and correct before an authorised witness. By signing it, you agree that the information in it is true, and you can be charged with perjury if the information is false.

Statutory declarations are used for many purposes, including:

- to verify insurance claims
- applying for sick leave or various types of benefits

Completing a Statutory Declaration for an Ambulance Claim

The ETU has a Statutory Declaration template (available for download from the ETU's website, www.etu.asn.au, or by contacting the ETU Office on 03 8329 0000) for Ambulance Claims to assist ETU Members when lodging a claim.

The Statutory Declaration must be fully completed and then witnessed by one of the many people authorised to do so.

Statements appearing on the Statutory Declaration

The following section aims to provide illumination on the statements featured on the ETU's template Statutory Declaration:

Point 1:

“An Ambulance Service was used by Myself or my Dependant as defined by the Ambulance Benefit Scheme Rules.”

This statement confirms that an Ambulance Service that an ETU member is claiming under the Ambulance Benefit Scheme was used by them personally or by one of their Dependants as defined by the Ambulance Benefit Rules (see Dependants defined below):

- The Member’s partner, legal or de-facto, whether of the opposite or same sex, and residing with the Member;
- All dependant children (under the age of 17 years) of the Member and / or their partner, whether the natural child of the Member and their partner or either, or adopted, or a foster child, or any child in respect of which the Member and / or their partner is responsible for the primary care of that child- and residing with the Member;
- Dependant students of the Member or their partner engaged in full time study at a secondary or tertiary education institution, provided that they are single and dependant upon the Member and are under the age of 25.

Point 2:

“ The Ambulance Service was used on.....”

This statement confirms the exact date that a Member or Dependant used an Ambulance Service. This information will also be quoted on the Tax Invoice that Ambulance Victoria or alternative Ambulance service provider has issued a member. The ETU needs this information to confirm that a member was financial with their ETU membership at the time an Ambulance Service was used.

Point 3:

“ I confirm the responsibility for payment for using the Ambulance Service does not lie with a third party such as:

***Workcover
Transport Accident Commission (TAC)
A Statutory Authority***

**State of Victoria
Commonwealth of Australia”**

The ETU needs to know whether a third party may be responsible for the payment of an Ambulance Service used by an ETU member.

For example, if an accident occurred involving an ETU member at their workplace that required the use of an Ambulance Service, any resulting Tax Invoice should be directed to *Workcover*.

If an ETU member was involved in a motor vehicle accident that required the use of an Ambulance Service, any resulting Tax Invoice should be directed to the Transport Accident Commission (TAC).

The State of Victoria may also be responsible for a Medically Authorised transfer from hospital to hospital, therefore, members should contact the applicable Ambulance provider prior to making an Ambulance claim with the ETU. Should a Member be unsure regarding a possible third party liability for an Ambulance Service Tax Invoice, they should contact the ETU immediately on (03) 8329 0000 for clarification.

Point 4:

“I confirm that I do not hold a Victoria issued DSS Pensioner Concession, Health Care, Veterans Affairs, or specific Entitlement Card.”

The ETU needs to know whether a third party may be responsible for the payment of an Ambulance Service used by an ETU member or one of their Dependants. Holders of the above cards may be entitled to free Ambulance Services. Members that hold one of the above cards should contact the applicable Ambulance Service that issued a Tax Invoice (e.g. Ambulance Victoria) and provide their card details accordingly.

Point 5:

“I confirm that I do not have Ambulance Cover through a Private Health Insurance Policy.”

The ETU needs to know whether a third party may be responsible for the payment of an Ambulance Service used by an ETU member or one of their Dependants.

Most Private Health Insurance providers offer Ambulance Service coverage to their Members. Members with Private Health Insurance should contact their

Private Health Insurers to lodge any Tax Invoices for using an Ambulance Service.

Should a member's Private Health Insurance provider not cover a particular Ambulance Claim (e.g. the Private Health Insurance provider only provides Emergency Ambulance Cover and the Member has used a Non-Emergency Ambulance service, the Member must obtain a letter from their Private Health Insurance provider that officially declines the claim to enable the Member to lodge a claim with the ETU).

Point 6:

"I confirm that I do not have Ambulance Cover through a Sporting Club."

The ETU needs to know whether a third party may be responsible for the payment of an Ambulance Service used by an ETU member or one of their Dependants.

Sporting Clubs are required to have Public Liability Insurance, including Ambulance Insurance. Should an ETU member or one of their Dependants use an Ambulance Service whilst attending or participating at a Sporting Club, the ETU member should speak to the applicable Sporting Club about payment of any Tax Invoices for using an Ambulance Service.
